20/07/2016
Effective Date

Manager
NHVAS Accreditation Scheme
National Heavy Vehicle Regulator

Accreditation Name: CARKEITH PTY. LTD.

Accreditation Number: V01343

Conditions of Accreditation

Compliance with these conditions is mandatory.

General Conditions

This accreditation applies only to the legal entity identified on the application form.

This accreditation applies to nominated vehicles operating under Mass and Maintenance Management modules and others that may be added during the period of accreditation.

Records will be required to be kept for all trips that involve loading of axle or gross masses above General Mass Limits (GML).

Quarterly Compliance Statements

As part of the internal review standard for the Mass, Maintenance and Basic Fatigue Management modules of the NHVAS a Participant is required to complete quarterly compliance statements. These statements must contain a record of compliance with the key outcomes required for each module.

Labels

Prime movers, trucks and trailers must display the NHVAS label in a way that the information on the label is readable from outside the vehicle. The accreditation label must not be wholly or partly obscured, defaced or otherwise not legible.

Note: Mass Management labels are only displayed on the hauling unit.

Basic Fatigue Management Module conditions

All drivers must carry a copy of the following documents:

- Accreditation Certificate;
- A document signed by the accredited operator's stating that the nominated driver is working under their accreditation; has been inducted into the operator's management system and meets the requirements relating to drivers under the operator's accreditation; and
- A work diary

These items must be produced when requested by Authorised Officer or Police Officer.

Change of details

The operator must notify the National Heavy Vehicle Regulator within 14 days when there is a change to any details of the operator or a change in the nominated vehicles.
